Water capacity	1020 lt

The Boat

With its attractive sleek silhouette and a deck plan optimized for long cruises, the Oceanis 48 is perfectly proportioned. Important options in terms of space organization and ergonomics distinguish it from others. It urges you to set off on long cruises and experience very comfortable stopovers. The Oceanis 48 has a mainsail arch and centred mast making it well-balanced and its hull offers great stability and comfort at all speeds. This is an important step in the combination of speed, safety and flow when living on board.
