# HOP ON BOARD!

MIAMI VICE will win you and your guests over. The purpose of everything on board is to make life easier. This can be seen from the new aft sun bathing area placed at bench height for easier access and creating a real lounge space.

Another hallmark is that she is good for entertaining, as can be seen from the large U-shaped cockpit where guests can comfortably converse. In addition, the outdoor galley location makes it easier for everyone to enjoy a good time together.

# INSIDE THE MIAMI VICE

The lower deck is ideal for comfortable cruising. Apart from the galley and the head, there are two private cabins, each with beds parallel to the boat's centerline, offering optimum quality of life on board.
