# HOP ON BOARD!

Discover the perfect blend of style, comfort, and seaworthiness with the Beneteau Antares 11 OB. The cockpit features foldable seating and easy access to the swim platform, while the foredeck sunpad invites you to relax under the sun.

# INSIDE THE FALCON

Overhead roof hatches ensure plenty of natural light during the day or let you admire the star-lit skies in the night. Onboard, you'll find a bright and spacious saloon with panoramic windows, and a fully equipped galley, making it perfect for multi-day charters

# COMFORT FOR UP TO 6 GUESTS

The master cabin is generously sized and includes smart storage solutions, and comfortably accommodates two adults. The guest cabin offer a cozy double berth for two adults. Bathroom is equipped with a shower and an electric toilet.

On the double convertible berth in the saloon sleeps two additional people, so a total of six guests can comfortably enjoy on board the Falcon.
