CATALEYA

CATALEYA

Sailing along the Dalmatian coast in your private motor cruiser with all of today's modern amenities is an experience you won't want to miss. The CATALEYA has been designed by experts who know what passengers need, not just for comfort but also for safety! She can hold up 21 people comfortably and still provide them that intimate feel while out aboard at any destination around Croatia.

The Cataleya sun deck with mattresses and pillows is a popular area for the sailing time to relax and enjoy views of the Adriatic islands. Take the ship's benefits and get refreshed in the jacuzzi before heading back into the open sea!

There is an open dining area on the main deck with a fantastic scenery view. If you want to get away from the heat, then go into an air-conditioned interior lounge with television so everyone can watch their favorite show while they eat or enjoy their drinks while chatting with friends.

Nine airy and well-equipped cabins are perfect for a relaxing getaway. The rooms come equipped with comfortable beds, enough space to store clothes or other items you may need on your vacation, and private bathrooms containing all amenities.

Cataleya has some great water sports equipment, which means you can enjoy paddleboarding and waterskiing. It also includes snorkeling equipment to complete your vacation with a day of underwater exploration!

When you're looking for a private getaway, nothing beats the joy of sharing your vacation with someone who knows what they are doing. This family-owned boat, with a long tradition of yacht charter and a carefully selected crew, will make your travel dreams come true!
