convertible saloon

2 Separate crew cabins

DESCRIPTION

The Bali 4.4 "Olivia" is designed for you to enjoy the sea to the fullest, in complete comfort and open air. With a length of 13.75 meters and a beam of 7.4 meters, this catamaran offers generous outdoor spaces—spacious, comfortable, and perfect for relaxing at any time of the day. At the rear, you'll find a large terrace that connects directly with the interior of the yacht, creating a single open living space—ideal for dining, lounging, or sharing unforgettable moments with family and friends.

At the bow, unlike other catamarans that feature a net, "Olivia" offers a lounge area with sofas, sun pads, and a table—an ideal spot to sunbathe, read a book, or simply enjoy the sea breeze and the views.

On the upper deck, the flybridge (an elevated terrace) is equipped with comfortable cushions and a second helm station. From here, you can relax with a drink and admire the scenery from the highest point on board.

Every detail has been designed for ease of movement and safety, with wide, well-planned walkways throughout. Whether you're sailing or anchored in a quiet cove, the Bali 4.4 "Olivia" offers multiple spaces to experience the sea in total freedom and comfort.

LAYOUT

A white Bali 44 sailboat is the central focus, floating on clear turquoise water. The boat's mast is tall and slender, with a small dark sail featuring the text 'BALI 44' and 'C/O N. SPACE'. The hull of the boat is white with 'BALI' printed on the side. In the background, a small coastal town is visible on a hill to the left, and a rocky, vegetated headland is to the right. The sky is filled with soft, grey clouds. Another smaller sailboat is visible in the distance on the far left.

Experience true freedom
Welcome aboard!
