# ABOUT

Escape the everyday and embrace nature aboard **Euphoria IV**, a Lagoon 51 designed for long crossings in exceptional comfort. With an innovative, eco-conscious layout, this catamaran blends luxury with sustainability to protect your dream destinations.

Relax on the spacious flybridge, enjoy panoramic views, and unwind on unique aft transoms that offer seamless access to the swim platform—your private balcony on the water.

Inside, Euphoria IV features a bright, inviting space with multiple areas for relaxation and socializing. **Six cabins** ensure ultimate comfort, including four double semi-island berths with ample storage and large windows for scenic views. **Each has an en-suite bathroom with a separate shower**, while mid-ship cabins, ideal for children or solo travellers, share facilities with the front cabins. Need a private chef? The extra berth offers flexibility for an additional crew member.

From effortless sailing to luxurious living, with style, and the perfect balance of adventure and relaxation.
